A screenshot of the 'Sign up as a parent' form on the ClassDojo website. The form is titled 'Sign up as a parent' and contains four input fields: 'First name', 'Last name', 'Email', and 'Password'. The 'Email' field has a red border and a message below it: 'Please provide a valid email address'. The 'Password' field has a red border and a message below it: 'Password must be at least 8 characters long'. Below the password field is a line of text: 'By signing up, you agree to ClassDojo's [Terms of Service and Privacy Policy](#)'. At the bottom of the form is a blue 'Sign up' button. Below the form is a link: 'Already have a parent account? [Log in here](#)'.

4. select "Add child through a teacher" and follow the prompts to [request to connect to their class](#).

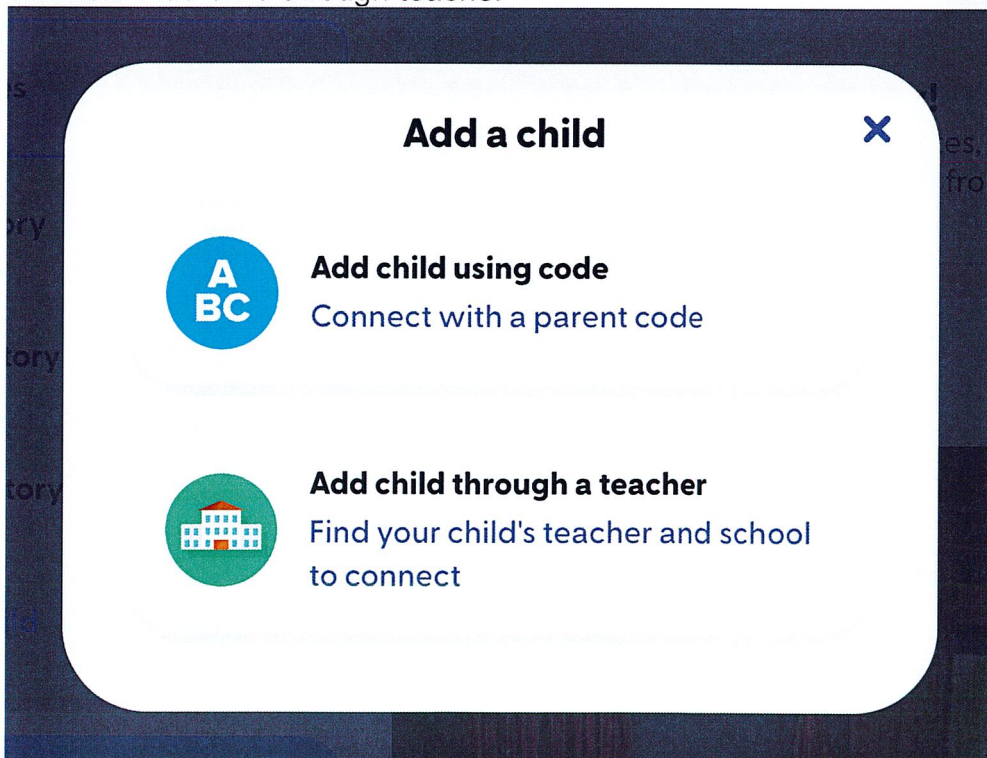

From the Web

If you have not received an invite or parent code from your child's teacher, you can search for your child's teacher and send a request to connect to your child.

First you will want to [create a parent account](#) or login to your existing parent account and then follow these steps:

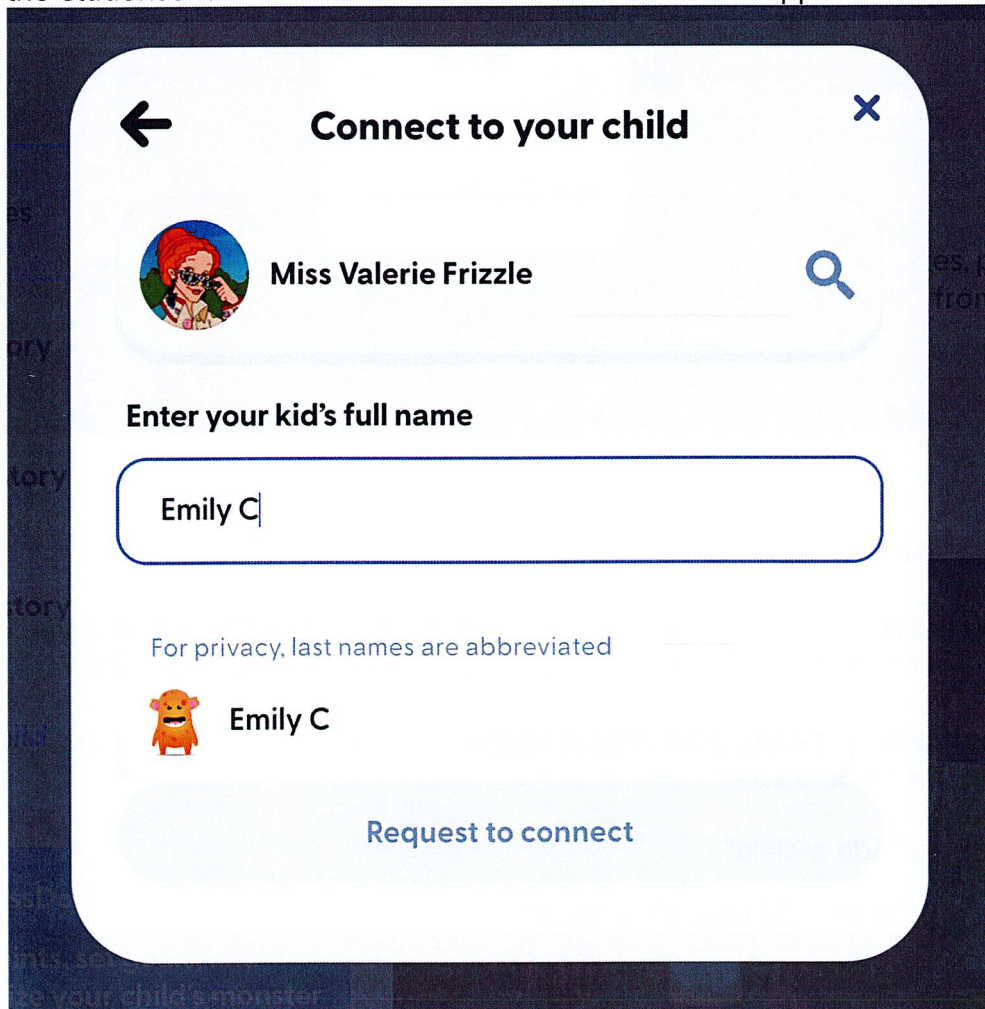

1. Click on "Add a child"
2. Click on "Add child through teacher"

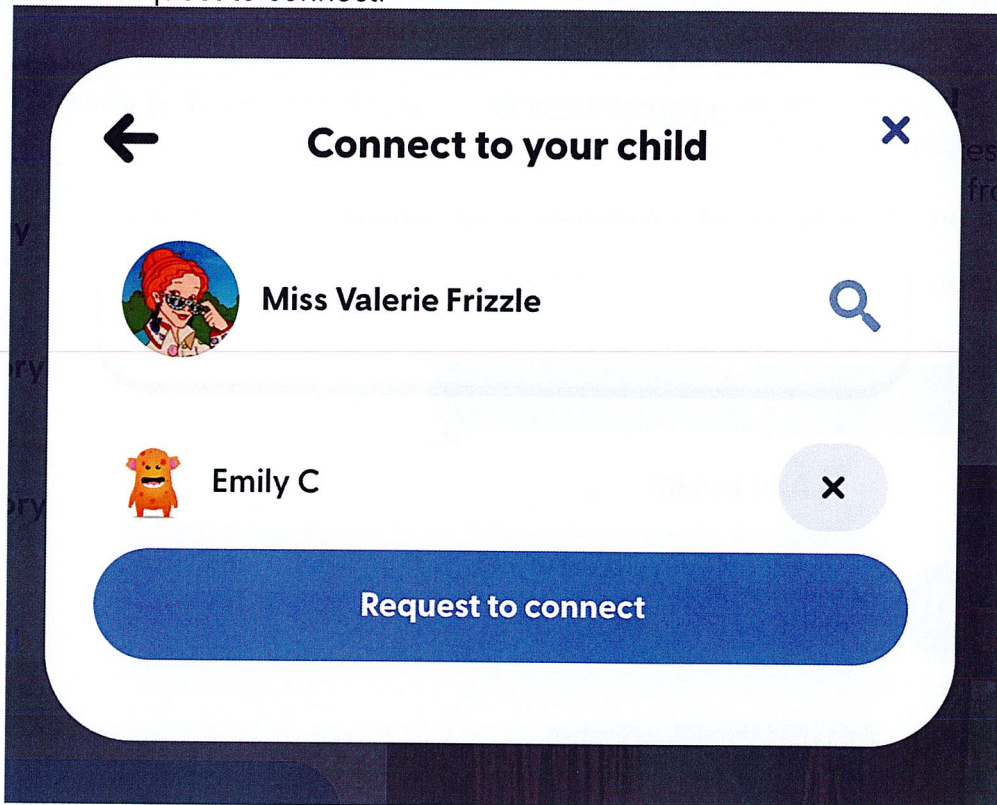

3. Type in your child's school's name until the correct school name appears and then click on the school name. If you can't find the school, click on the blue

button that says "Invite your child's teacher" which then allows you to send an email to your child's teacher letting them know about ClassDojo!

4. Click on your child's teacher's name from the list.
5. Enter your child's first and last name in the box. You may select the student's name from the list of auto-populated names (first name and last initial) or type the student's full name if the student's name does not appear in the list.

6. Click "Request to connect."

7. Your connection will show as pending until the teacher approves the request.
