Dear Parents/Carers,

Asthma Medication in School

I have been reviewing all pupils' medical forms, as it is important we have up-to-date information on the children's asthma needs. Therefore, a new asthma form is attached for your completion.

If your child still needs to use his/her inhaler in school, I would be grateful if you would complete and return the form to school, together with his/her inhaler and spacer (if required).

However, if your child no longer requires medication for asthma, please complete the slip below for our records.

Kind regards,

Mrs Natalie Kemmish

School Administrator
