22nd January 2025

Dear Parents and Carers,

I am delighted to be able to share with you our Ofsted report following their visit to us on Tuesday 7th and Wednesday 8th January 2025.

As the initial letter from the Department for Education said, this was an ungraded inspection. Ungraded inspections are carried out under section 8 of the Education Act 2005. They were previously known as section 8 inspections of good and outstanding schools. An ungraded inspection differs from a graded inspection because it does not result in individual graded judgements. Instead, it focuses on determining whether the school has taken effective action to maintain the standards identified at the previous inspection.

As you will see, the Inspector felt that we have indeed taken effective action to maintain the standards identified at the previous inspection.

The inspector praised the pupils and the staff for making him feel so welcome over the two days. He was very impressed by the behaviour that he saw, by the enthusiasm of the children and their understanding and implementation of their learning.

We are extremely proud of this report, as it reflects the hard work that goes into ensuring that we are a school that puts,

'the best interests of pupils are at the heart of the decisions it makes.' Ofsted 2025

Kind regards,

Morwenna Dunstan
Headteacher
