

## Class 3 Prayer

Thank you God for the world we share,  
For the friends we have and the people who care.

For the beauty we see in every day,  
For the joy we feel as we learn and play.

For the sun and the rain and sometimes the snow,  
For the mountains, the seas and the rivers that flow.

Help us to shine, safe in your love  
To reach for the stars that soar high above

Amen
