

Class 12's Prayer 2024-2025

Dear God,

We really want to praise you Lord for letting us enjoy,
A school that's filled with kindness, it is the real McCoy,
We use our Golden Values, everywhere we go,
St Mary's is the school, that makes us want to grow.

Our adventure at St Mary's is coming to an end,
We're very glad to say, we've made some amazing friends,
We like to show compassion, we always make things clear,
And even though it's hard, we try to persevere!

Thank you for the staff, who helped us along the way,
Our school is always inclusive every single day,
The learning at St Mary's, makes our minds go, "Pop!"
Kindness is our thing, and makes us want to rock!

Amen
