

Dear God,

Thank you for our school, our teachers,
and our friends.

Thank you for the lessons we've learned
and the memories we've made,
for our families and all the people who
help us grow.

Help us to be kind, even when we're tired.

Help us to be respectful, even when it's hard.

Help us to live by our golden values and be the best we can be.

As we get ready for our next chapter,
Give us courage and confidence for the
adventures.

And help us to keep letting our light
shine,
wherever we go.

Amen
