16th January 2026

Dear Parents/Carers,

RE: Year 2 Local Geography Visit on Thursday 22nd January 2026.

About our trip

As part of our curriculum offering at St Mary's, Year 2 will be going on a local walk to Bridgwater. We have been learning about features of our town in our Geography topic, so this will give the children the chance to explore their local environment and learn about the physical and human features of Bridgwater in person. They will be able to ask questions to enhance their learning and local knowledge.

Clothing

Children will need to come to school as usual in their school uniforms with sensible shoes and warm, waterproof coats.

Food and drink

This enrichment activity will not affect lunchtimes so the children will eat either their packed lunch or their school lunch as ordered. They will still need to bring their water bottles and reading books to school as usual.

If you require further information, please contact the Year 2 team either through the school office or in person after school and we will be happy to help.

Yours sincerely,

Mrs. Hall and Mrs. Harris
